

For Our Community:

Lord God, during this Catholic Schools week we give you
Thanks for 71 years of guiding our children in faith and
Knowledge as a vital part of West Baton Rouge Parish. As
Christ was formed in the scriptures, continue to allow
Your Word to be a source of life, love and blessing to our
Community, as we witness 100 years of service on the
West-side. Help us to spread the Good News and mission
of Jesus Christ as Lord and Savior to all. Bless our Civil
Parish, The Greater Port Allen Community, and their leadership with
growth, stability and wisdom for many years to come.
We ask this in the name of the Lord Jesus.
Amen!
