

Catholic Schools Week: Celebrating Vocations

Good and Generous God,

You created us with love and purpose. Thank you for your divine call to live and work in a way that honors you. In your wisdom guide us to vocations that serve you and fulfill your purpose for us. We pray that we may hear, understand, and answer your call. Open our hearts to vocations as priests, religious sisters or brothers, as married or single persons. Give us the grace to use the talents you have given us to do work that always please you.

Amen
